

HABITABLE COUNTRY HOUSE PRINCIPALITY OF SEBORGA

RIF. 13822 - PRICE: € 220.000 - MQ 50

Seborga, in an extremely private and independent position we offer a property with intended use and purpose of agricultural management of the so-called Building Fund for the shelter of livestock or tools built for the transformation and conservation of agricultural products. Inside there is a charming habitable rustic house of about 50 square meters, several stables and a roundhouse for training horses. Surrounding land of about 4,614 square meters. Panoramic open view of the valleys, partially sea view. South-west exposure. A few minutes by car from the city centre of the principality of Seborga
