

BUSSANA, SEA VIEW APARTMENT

RIF. 13834 - PRICE: € 473.000 - MQ 73

A unique opportunity in the heart of Bussana! Elegant apartment on the second floor with large panoramic terrace overlooking the sea and cellar. The apartment is located inside a completely renovated and insulated condominium, a building that combines modern design and safety, with a reinforced structure in compliance with current anti-seismic regulations. The apartment offers a large living area, two bedrooms and a bathroom. Possibility to customize floors and coverings, selectable from a wide range of samples already available, to create a tailor-made environment. The heating is autonomous underfloor with a hydronic heat pump, to ensure maximum comfort in every season. The external windows are made of rigid shock-resistant PVC with steel reinforcement and SCHUCO AS 82 system with 7 insulation
